HUNTER VOGEL RETURNS TO HOST A WINE DINNER ALONG WITH REPRESENTATIVES FROM PURPLE FEET DISTRIBUTING AND KEN BOGUCKI, OUR EXECUTIVE CHEF AND PROPRIETOR

Hunter travels the world purchasing bulk wines from extra-ordinary vineyards. They don't want to over-produce and lessen the value of their brand, so they sell to Hunter and he bottles it under the Treasure Hunter label making them a tremendous value. He also makes his own wines under the KitFox, Pretense, Gunfighter, One Time Spaceman, and SHFT labels.

He visits every year and we love having him.
