

THE NEW WOOSTER INN WINE LIST

Here's what you need to know:

1. You may purchase wines at state minimum retail prices for your home cellar any day
2. The Dining Room Pricing is for on-premise consumption but on many wines, the prices match or are close to retail
3. Tuesdays are Retail Prices in our Dining Room or Pub

It is relatively easy to find fine wines at big prices, but this list is dedicated to providing fine wines at value prices. Wine enhances the meals we serve at the Inn and so we price them in a way that encourages our guests to add this element to their experience. We also have new wines that are added to our cellar every week. Some of them are presented in the six glass pours that are featured every week. You can also find out about those wines on my blog which is accessed off our website: www.thewoosterinn.com.

My staff and I thank you for your patronage and support of the Inn ~ Ken Bogucki, Executive Chef & Proprietor
