

Winemaker's Dinner Friday, May 18, 2012

7:00 pm

Vision Cellars

The Wooster Inn is privileged to host so many fine winemakers from all over the world. Few, however, are more requested than Mac McDonald and his wife, Lil. Besides being the producer of fine Pinot Noirs, Mac is a master story teller who fascinates our guests each time he visits. It's been nearly two years since his last visit. Welcome back!

Mac sources his grapes from a variety of vineyards with each imparting a particular quality and taste to the wine. Rarely are more than 250 cases of any wine produced.

These wines are highly allocated
